ARLINGTON ADVOCATE THURSDAY, FEBRUARY 5, 1953

Single Copy Five Cents Yearly \$2.40

AT MARCH OF DIMES headquarters, Mrs. Raymond McKeever keeps the results of the Mothers March up to the minute last Thursday night.

PLAN RALLIES

Many political rallies have been planned by local civic groups preceding the annual Town election of March 2.

Interest is expected to be high this year because of the many candidates running for the three slots for Selectmen.

So far, the following rallies have been scheduled:

Feb. 17—at Junior High East, sponsored by the Committee of Citizens for Town Manager with the Advocate as co-sponsor.

Feb. 18—at Legion Hall, Women's Republican Club.

Feb. 19—sponsored by the Hts. Improvement Association.

Feb. 25—in Library Hall, League of Women Voters.

It is understood the East Arlington Town Meeting Ass'n. will soon announce its rally date.

FRANCIS A. COUGHLIN, asst. treasurer of the March of Dimes, records "Mothers March" contributions as they poured in last Thursday night. Assisting him are Mrs. Russell Hamlet and Miss Marion Slattery while Mrs. Raymond McKeever, co-chairman of the March, looks on.

Local Political Races Stand; No Deadline Withdrawals

This year's annual Town Election will go on as previously advertised.

As the deadline for withdrawals was reached at 5 o'clock Tuesday at the Town Clerk's office, no candidate for major office had appeared. However, one candidate for Town Meeting member, Margaret A. O'Brien of 319 Massachusetts ave., was forced by a new law to choose between the one-year and the three-year term.

A&P Stores Buy Land In Heights

It has been learned that the Great Atlantic & Pacific Tea Co. has purchased the John Wiggins property at 1447 Massachusetts ave. at an undisclosed price. This was confirmed by the owner last night.

The plot, consisting of 60,000 square feet, is located between Reservoir field and Massachusetts ave.

The historic homestead on the northerly side, across the R.R. tracks, was not sold.

Contractor Still Waits For \$1,860 Town Check

A Cambridge contractor is still waiting for \$1,860.00 for black top work done under a contract signed with the School Committee.

The bill totaled \$7,321.40 on a \$5,176 contract which had a 5 per cent leeway clause (plus or minus \$258.80).

This fact was revealed when the State Legislature recently passed a bill, now Chap. 8, Acts 1953, permitting the Town of Arlington to pay off "a moral obligation" to the Marques Construction Co.

Article 54 of the annual warrant seeks Town sanction.

It is said that the School Committee authorized considerable extra work to be done in surfacing around the Senior and Junior High schools. Because the contractor's price was considered "very low," the Committee felt the work could be done at a saving to the Town.

However, when the bill came to his desk, Carmen T. Foritano, new Town Accountant, refused to O.K. the expenditure. He ruled the obligation and procedure was not legal.

Come March, the bill will probably be paid, it is thought.

Valentine Party

The annual Valentine party and banquet of the First Baptist church will be held Feb. 10.

Preceded by a catered roast beef dinner at 6:30 p.m., the entertainment will feature two former Arlington residents, Morton and Phyllis (Blake) Bowe.

An informal program of comedy and music will be presented. The program will include some of the enjoyable selections from "Oklahoma!" together with a number of other delightful musical numbers.

Letters Protest Fine Arts Vote

Arlington Council
Parent-Teacher Association
Mrs. Spencer Dormitzer, Pres.
Dear Mrs. Dormitzer,

It came as a decided shock to me to hear that the Arlington P.T.A. Council has voted to suspend the "Fine Arts Program" for next year.

During the three years that we have lived in Arlington my children have attended every one of the programs. They have enjoyed some of the presentations more than others, but each has been of interest to them.

Our family has felt that this project of the Council has been its most worthwhile one, and it seems incredible that they have voted to abolish it.

Listening to records, watching television, and seeing films—none of these can take the place of the inspiration received from "live" programs with "real" artists performing.

Abolishing this advantage for our children would be a definite backward step for Arlington.

As one of the sponsors for the fine arts program, I would suggest that the Arlington P.T.A. Council reconsider the problems involved—if any—and rescind their recent vote.

Where children are involved, we cannot afford to go backward. Sincerely,

Miriam Magnusson
Mrs. Harris W. Magnusson
Member of the Brackett School P.T.A.

Arlington Advocate
To the Editor:

The vote by the P.T.A. Council to suspend the Fine Arts Program was disappointing news to me, as it was to many parents. I feel sure.

In view of the well attended performances, the enthusiasm of the children, and the fact that there is a reported surplus of funds, the vote to discontinue the program is very puzzling. If changes in the types of performance seem desirable, could not they be made in next year's program?

Since this project has been sponsored by the P.T.A., it would appear only wise and fair to allow the parents to express their opinions in the matter. Perhaps the P.T.A. Council would see fit to reconsider its vote and give each P.T.A. unit an opportunity to discuss the question at the February meetings. In this way the Council would be sure it is correctly reflecting the views of the parents.

In these days our children dearly need contacts with good music and drama to counteract the cheap movies, radio and television to which they are constantly exposed.

Let's not deprive them of the excellent Fine Arts Program without some very compelling reason.

Sincerely,
Maude D. Thompson
(Mrs. Gordon P. Thompson)

"Play For Mary" Makes Hit With Guest Groups

The new policy of the Friends of the Drama in inviting guest groups to dress rehearsal, as well as the play itself, made a hit Tuesday night with those invited.

"A Play For Mary" proved to be a delightful comedy with clever lines. Written by William McCleery, it is having its premieres here.

In the cast, directed by Bill Casey, are Richard Guinan, Inez Frost, Milton Paige, Ann Robinson and Mortimer French.

Invited groups were the Arlington Chamber of Commerce, the Vokes of Wayland, Clarendon Players and Beacon Hill Drama Theatre.

Blood Donors Give To Clean Out 204 Pints—A Record Private Sewers

The Bloodmobile received 204 pints here Tuesday for a new Arlington record.

"In spite of Tuesday's snow and slippery driving and the prevalent colds and virus 'bugs' we had our best Donor Day yet," said Mrs. Russell Hamlet, chairman of Blood Donor Recruitment for Arlington.

"The wonderful co-operation of industries, fraternal groups and church organizations made our banner day possible with 204 pints collected. The Arlington Gas Company, the Fire Dept. and the Telephone Company each had over 20 donors."

Council 109, K. of C., with Walter Driscoll, donor chairman, and the First Baptist church Men's Class, Chester Brown, chairman, were both responsible for large numbers of donors also.

The Red Cross Motor Corps had a particularly busy day transporting donors to and from St. John's parish hall.

When it is deemed a menace to health because of clogged sewers, the Board of Public Works has changed the law so that work may be done on private property.

The work must be formally re-authorized and paid for by the homeowner.

The Board of Public Works at their meeting held Friday, Jan. 9, voted to amend the Rules and Regulations Relating to Construction and Use of Sewers as approved by the Board of Public Works July 2, 1946. The rule now reads as follows:

SECTION 28 as amended: Jan. 9, 1953.

"Whenever any Particular Sewer shall become clogged, obstructed, broken, out of order, or in any way unfit for sewerage purposes, and in the opinion of the Board of Public Works or its authorized agent shall have become a health menace, the Town may, at the written request of the owner or occupant on an approved form, enter upon the premises and reconstruct, cleanse or repair said Particular Sewer as the condition thereof may require, charging the owner or occupant such portion of the expense as the Board of Public Works shall deem reasonable and just."

Fadden has been appointed vice chairman.

It has been announced the articles will be flown across the sea by the Royal Dutch Airlines, free of charge.

"We are asking for help of volunteers," Anderson said.

Clothing and blankets should be taken to any fire station; monetary contributions, to the Netherlands Relief Fund, c/o Town Treasurer's office.

FLOOD RELIEF

Arlington went into action yesterday for relief to Netherlands flood victims.

Local Chairman J. Wilbert Anderson sought and obtained permission yesterday from the Selectmen the use of all fire houses for collection stations. Anderson was appointed yesterday. He is also Town treasurer-collector.

"Sorely needed," Anderson said, "are blankets and clothing. Most of those destitute people have only the clothes on their backs."

Boys Are Learning Art Of Casting

The class in bait casting which the Spy Pond Rod and Reel Association has been conducting at the Arlington Boys' Club, is really beginning to pay dividends, leaders report.

Each Saturday from 12 noon to 1 p.m. Thurman F. Chandler, Jack Donnelly, Joseph Donnelly, Robert Donnelly and John Bierlich of the Spy Pond Club are on the job at the boys' club to teach the youngsters in the art of using the bait casting rod and reel.

Through the cooperation of James H. Sumner, director at the Boys' Club, the gym floor is used and the wrestling mats are placed at one end of the floor. In the center of the mats is drawn a "bull's eye." The boys stand at the other end of the floor and cast at the target.

When the class ends on Feb. 28 the scores of each boy will be totaled and the boy with the highest will be declared the winner. The Spy Pond Rod and Reel Association will award the winner a reel.

Leading in the competition, at present, is Eddie O'Brien with 1000 points. John Mulvihill is second with 600 points. The other leaders in the class are John Ottoson, Mickey Burke and James LeBlanc.

Following the business meeting Mrs. Hunt, with the assistance of Mrs. Foster of the local office, gave an informative sketch portraying an interview of a client by a case worker.

Refreshments were served by the Let-Us-Lend-A-Hand with Mrs. Norris Hoyt and Mrs. Eli Reinhold pouring.

Local Home Economist To Appear on TV Hour

Josephine Facy Biscoe, local home economist, has been invited to appear as the guest of Polly Huse on her "Domestic Diary" telecast over WBZ-TV on Tuesday morning, Feb. 10, at 9 p.m.

Through her simplified manner in teaching dress-making, Mrs. Biscoe has gained an increasing number of followers by showing homemakers the fundamentals which provide, she believes, valuable reductions in the present high costs of living.

For the past four years she has been teaching evenings in the Arlington Adult Education program.

Upon graduating with highest honors from the High School of Practical Arts in Boston in 1941 she was immediately appointed to the sewing faculty of that school.

She resides with her husband and four children at 57 Alpine street.

—Mrs. Richard M. Anderson of 34 Hutchinson rd., class agent's committee, will attend the 70th meeting of the Simmons College Alumnae Council in Boston on February 7.

Humes Is Named DeMolay Advisor

At the Advisory Board meeting last Thursday, Frank Loring, well-known in fraternal circles, is tendered his resignation as DeMolay Chapter Advisor. His resignation is caused by new employment by the State of Maine requiring residence in that state.

He was the first Chapter Advisor in Arlington and was one of the principal organizers of DeMolay here. He was presented the youngsters in the art of using a gift of a past chapter Advisor's jewel.

The board announces as Loring's successor, Don Humes of 107 Appleton st., formerly regalia custodian, and an early and continuous promoter of DeMolay. On the future DeMolay program is the initiatory degree for 21 candidates on Feb. 13, and a dance with Arlington Rainbow Girls on Feb. 27 at the DeMolay apartments. Herbert K. Miller, district deputy, will officially inspect the chapter at the Feb. 13 meeting.

Holy Name Society Plans Father and Son Meeting

ENDORSES FRANKLIN HURD

To the Editor:

As a member of the Florence Crittenton League, the Menotomy Chapter of the Daughters of the American Revolution and the Massachusetts Women's Republican Club, may I urge all of my friends and the good citizens of this Town of Arlington to vote for Franklin W. Hurd for Selectman on the three year term.

Franklin W. Hurd was born in this Town of ours, attended school here, married here and at the proper time served in World War II. He has a charming wife and is the very proud father of two fine young sons.

Franklin W. Hurd has done a splendid job as chairman on the Board of Park Commissioners. He has been instrumental in creating many improvements in our parks and playgrounds and has installed new playgrounds. Our parks and playgrounds, at the present time, are a credit to our Town of Arlington.

Franklin W. Hurd is a very sincere and kind person. His integrity can not be questioned. Above all he has a qualification found in few people, he takes a very broad point of view, and has a very open mind and is willing to listen and heed the wisdom of those in the proper authority.

His one great interest is serving the citizens of Arlington to the very best of his ability at all times. He will do his best to assist you, as individuals or as a community, in any problem, large or small.

I know Franklin W. Hurd and, therefore, ask townspeople to vote for him for Selectman. He will never disappoint you, believe me.

Please accept my thanks.

Cordially yours,

Gladys M. Parks

'Bomb Of Resentment' Hurlled At TM Members By Public—Patterson

This week Town Meeting members were under fire when William S. Patterson charged that "a bomb of resentment" by citizens at rising costs has been "hurled right at the heads of TM members, which is just where it belongs."

He called for complete support of the Finance Committee recommendations by the members. There are some, he said, "who have been loyal supporters."

Patterson said that "the increase in taxes year after year roused voters" and that the Town Manager plan was voted in "as a way of expressing their desire that more consideration be given their pocketbooks."

Hold Meeting

At a meeting of his sponsors on Feb. 2, Mr. William S. Patterson, candidate for the 2-year term for Selectman, stated briefly some of the changes which will take place under a Town Manager. He also expressed his own views so that his committee would know just what he stood for. Part of his talk was as follows:

"I am for a Town Manager, one hundred per cent. I believe it is a step toward more efficient managing and careful spending in town affairs."

"To make it really effective, the Board of Selectmen must be chosen with care. It is no place for those with a skeptical outlook. The task will definitely have problems which will require patience and understanding. No person who has outwardly opposed Town Management should be elected to the Board of Selectmen. There will be problems enough without dissension on the Board."

"We should bear in mind that it was high taxes which voted Town Management into being in Arlington. There were, of course, minor annoyances which contributed, but it was the increase in taxes year after year that roused the voters into action. Regardless of what was said against the plan previous to election, the voters took this means as a way of expressing their desire that more consideration be given their pocket-books."

TM Members Under Fire

"This revolt from old ways was a bomb of resentment hurled right at the heads of the Town Meeting members which was just where it belonged. It is they, and no one else, who are responsible for our higher taxes."

PLEASANT STREET CHURCH

In observance of Boy Scout Sunday, members of Troop 8 will participate in the morning service. Serving as ushers will be Richard Pass, Nicolas Reuter, Frederick Thompson and Thomas Burnham. Edward Ashton, Peter Hayes, Richard Mardigan and Hartley Noble will be in charge of the morning offering.

NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY

"Every year the Finance Committee has brought in well ordered budgets, planned at keeping the tax rate within bounds, but just as regularly a majority of the Town Meeting members, influenced by one or two of their members, have insisted upon additional spending. It is this kind of spending that has put Arlington's tax rate where it is."

Members Vote Tax Bill
"Our assessors have nothing to do with it. Speaking in a broad sense, they merely divide the total amount spent, what ever it may be, amongst us."

"So, in the future, judge the work of your Town Meeting members by the size of your tax bill, or at least until such time as when they have learned to follow the leadership of their Finance Committee, whose responsibility they have taken over. (My apologies to all Town Meeting members who have been loyal supporters of the Finance Committee.)"

Charges "Bosses" Exist

"Arlington is fortunate in that it has been, to a great extent, free of partisan politics in local affairs, thus discouraging costly political bosses. But to a certain degree, we have developed another type of bosses, those who, to a considerable extent, are able to influence the vote from the Town Hall floor."

"They point with pride, to the wreck their 'superior' judgment has made of the Finance Committee's previous planning, but year after year, and the Town Meeting they never say one word about members to try to support their what it has cost us. Accordingly, recommendations to all accounts, these same individuals are now ready and willing to take over the direction of confidence in their town government. Arlington more and more of been lost."

On His Way Home

Now enroute home from Germany, he has been serving with the 242nd Anti-Aircraft Artillery Group as an administrative specialist.

The unit with which he served is a Connecticut National Guard outfit.

A member of Headquarters Battery of the 242nd, Colliton entered the Army in March, 1951, arriving in Europe last March. He holds the Army of Occupation Ribbon for service in Europe.

ARLINGTON WOMAN'S CLUB

The Arlington Woman's Club will meet at the Town Hall next Thursday.

An exhibit of old glass will be arranged in the Art Corners by the committee.

That Man About Town

By MAT

The political pot begins to gurgle. Already charges and counter-charges are in the news and in the talk. We advise voters to do some questioning of the records in town affairs of each candidate for major office—many of them have utterly none and, of those who have, only one or two have given the town willing, equitable service.

On the rally front, with three civic groups already announcing "candidates' nights", another is in the process of discussing whether or not to do so. If approved, this will give us four assemblies at which voters can listen to candidates and, presumably, ask them questions.

The first on the agenda will be at the Junior High East, Tuesday night, Feb. 17, at 7:45 p.m. This paper and the Committee of Citizens For Town Manager are its co-sponsors. Plan to attend the election "te-off".

The Town Meeting will consider 85 articles which will undoubtedly set a record for, not only discussion, but for length. The Moderator's rigid rule that descriptions and like items in motions be read twice should be relaxed. We recall Moderator Ernest W. Davis who always said, "If there is no objection we will dispense with reading the fine print." It always worked.

The one-session given for informative purposes to all town meeting members by the Finance Committee is almost a wasted evening. How can any group get the full gist of warrant articles in a period of three hours? It might be better to hold this advance meeting for a scanning of the whole picture and then to have a real discussion meeting later on the controversial subjects.

Baptists Pledge \$46,077 During Canvass

The annual business meetings and winter months has been 352 of the First Baptist Church and Society were held last Thursday evening. After a fine supper, prepared by the social committee, Mrs. Harry Thompson, chairman, the Church meeting was conducted by the Rev. Nathan W. Wood, moderator for the Church. Following this, Mr. Harold Magnuson, moderator for the Society, took up the receiving of reports and other matters relative to the business of the Society.

The treasurer, Mr. Ralph Bates, reported a surplus in the treasury at the close of the year. Mr. Magnuson, chairman of the finance committee, reported the completion of the Every Member Canvass, with a total of \$46,077.40.

Miss Margaret Alsen, church clerk, stated that the membership now numbers 1227. The average attendance during the fall

and winter months has been 352. The Church school under John Crosby, Superintendent, has an enrollment of 734 pupils and 58 officers and teachers. The average attendance has been 385.

Reports from the Women's Missionary Society, Mrs. Earl Bolton, president, and from the Women's Fellowship, Mrs. Norman Jacobson, President, showed that "our women's societies are flourishing." The same is true of the various youth groups who are now being guided by the new director of Christian Education, Mr. Rollin I. Tingley, it was said.

At the close of the business meeting, Mr. Carl Walquist sang several fine baritone solos, and the Rev. Richard Crawford of the West Somerville Baptist Church, gave an inspirational address.

—William D. Israel, 44 Robbins rd., has been reappointed justice of the peace, Secretary of State Edward J. Cronin, announced this week.

—Stanley R. Gardiner, 59 Newport st., has been appointed as notary public, it was announced this week by Secretary of State Edward J. Cronin.

—Norman S. Einarson, fireman, USN, son of Mrs. Jessie Einarson of 19 Eastern ave., is on the destroyer USS Gatling, now in Caribbean waters.

—Mrs. Lotta S. (Shumway) Bird, 75, wife of Robert C. Bird, retired general manager of a Cambridge iron foundry, died Jan. 24 in her home, 15 Windermere ave.

Born in Somerville, she had lived in Arlington for 50 years, and was a member of the Pleasant St. Congregational church.

Besides her husband, she leaves a son, Richard H. Bird of Los Angeles, Calif. Mr. and Mrs. Bird celebrated their golden wedding anniversary in October, 1949.

Funeral services were held in her home Jan. 26. Burial was in the Cambridge Cemetery.

Red and Gray Jottings

by Janet Kirschbaum

The Red and Gray five won its game against Brookline, 52-32, but they were beaten by Cambridge Latin, 48-42, last Friday. "Ike" Canty was high scorer in this game with 23 points. The local's record now stands at eight wins and three losses. They are tied with Waltham for the lead of the Suburban League. The team's next game will be played here at the George Lowe auditorium on Feb. 6 at 3 p.m. against Waltham.

A "Rec" dance was held at the Town Hall last Friday night. Ed Penney of WTAO will hold a Record Hop there on February 13.

Arlington High won its first game of the hockey playoffs last Friday night, when the boys stopped Newton's attempt to tally. The locals were leading 4-0, when Newton scored three quickies. The team is leading the First Division of the G.H.I. Hockey League. They will go into the second playoff round Friday night, Feb. 6, at the Gardens; time, 7 p.m.

In response to a request by Mr. Rizk, a foreign-born American, who spoke to the assembly at High School several weeks ago, a collection of pencils at least five inches long was taken in the homerooms Monday, Tuesday and

Wednesday. These pencils will be sent abroad to the needy.

In the State Track Meet held last Saturday afternoon, Arlington placed in several Class B events. They won the 600-yard run, came in second in the 50-yard dash and the relay, came in third in the 45-yard hurdles, and fourth in the 50-yard dash. The Red and Gray's next meet will be Feb. 7 when they will compete against Salem at the East Newton Street Armory.

Mr. Howard, field agent from the Social Security Administration in Cambridge, spoke to several classes of Problems in Democracy in the Vocational High School yesterday.

It is good to have Dave Martens playing basketball again, now that his ankle has healed. The Gilbert and Sullivan rehearsals are coming along very well.

By the way, the Dramatic Club's "Our Miss Brooks," will be presented Friday night, Feb. 20.

Preparatory classes have already begun for the College Board Exams to be given March 14. A deep thanks is certainly due to Donny Dolan for his splendid work in the hockey game last Friday night. Don assisted in or scored all five of Arlington's goals.

Committee To Ask Study Extension

At the January meeting of the Town Committee making a study of the Pittsburgh Real Estate Tax Plan, members, at the suggestion of Mr. Casare J. Fiorenza, observed one minute of silence in memory of the late Allen H. Thomson.

He was a member of the Pittsburgh Committee at the time of his sudden death.

During the meeting it was voted to seek an extension of this study at the annual Town Meeting. Mr. William R. Dunn urged a first-hand check be made on this Tax Plan, by one member spending a few days in Pittsburgh.

Secretary Mrs. Victoria A. Craig and Chairman Robert H. Zwicker joined in a discussion of the Progress Report to be made at Town Meeting.

It is expected the committee will be ready to release information from this report next week.

With Military Police

Pvt. Joseph P. Rignanes, 44 River st., is now serving in Korea with I Corps.

Rignanes, who entered the Army last April, is a member of the 622nd Military Police Company. He was stationed at Fort Dix, N. J. before his assignment overseas. He made his home here with Mr. and Mrs. Joseph Rego, 44 River st.

The second annual dance held jointly by the Square and Compass club and the Fraternal club was held in Odd Fellows Hall on Jan. 30, for the benefit of Arlington DeMolay and Rainbow.

Following the introduction of Maynard Sears, president of Square and Compass club, Eddie Marchant provided an excellent entertainment. The ballet dancing, magician, as well as violinists of Anton Kovar's school were enjoyed.

Afterwards, dancing was to the music of Oscar Francines orchestra. Refreshments were served in the balcony during intermissions.

Baptist Men's Class To Hear B. S. Leader

The Men's Class of the First Baptist church will hear next Sunday at noon, Howard D. Butler, scout executive of Sachem Council, Inc. The day is the 45th Anniversary of the founding of Scouting in England by General Sir Robert S. S. Baden-Powell.

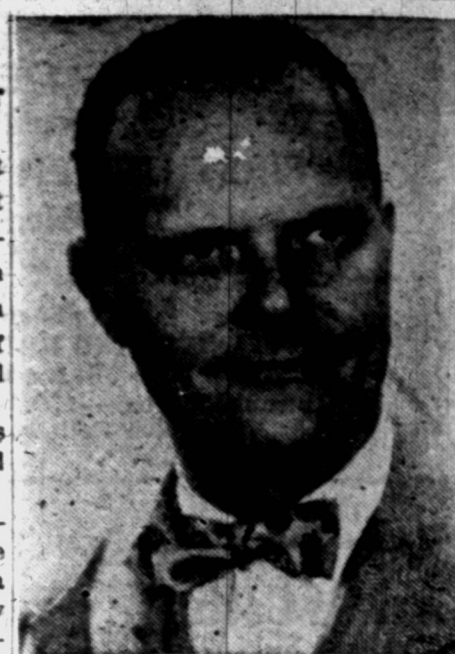

In 1910 the organization was incorporated in the United States.

Mr. Butler was born in Duxbury, Mass., and educated in the public schools there. He was a member of Troop 1 in Duxbury as a boy and later became assistant scoutmaster and scoutmaster.

He entered professional scouting in 1942. In December, 1943, Butler was appointed an area executive of the Pine Tree Council in Portland, Me., where he served until May of 1947. At that time he transferred to Burlington, Vt., and proceeded as Scout Executive of the Long Trail Council there.

In March of 1952, Howard D. Butler came to Lexington and took up his duties as Scout Executive of Sachem Council.

He is a member of the Lexington Rotary club and is chairman of its Youth Work committee.

Harris Objects To 'Gold Brick' Label; Says Study Will Bring Right Answer

This week George A. Harris, candidate for Selectman for the two-year term, issued a statement in which he claims to refute the charge of William S. Patterson, an opponent, that the proposal to re-assess valuations was a "gold brick." Harris says that committee study of problems is all he is asking for and that such studies help chart a course of proper future action.

In his statement Harris said, "Mr. Patterson has drawn a conclusion before he knew the facts. He has falsely accused me of favoring re-assessment of valuations when, had he attempted to find out, he would have discovered he was in error. I am neither FOR nor AGAINST the proposition at this time."

"The fact is that several days before his misconception, I wrote the Finance Committee chairman requesting that an official town committee be appointed to investigate the plan."

"My only concern is that of obtaining economical government

in Arlington. This comes from governmental studies by town committees. Therefore I have suggested that the entire Board of Assessors be named to the committee, with others who have the town's best interests at heart," Mr. Harris continued.

"It is apparent that my opponent, whose activity in town government is negligible, is objecting to a phase of governmental study-action that concerns all home owners and real estate owners. The people are constitutionally entitled to the answers."

Mr. Harris concluded his statement, "It is my sole purpose to have a distinguished group of townspeople study this phase of local activity and, when completed, be guided by them and not by any one man's decision. Mr. Patterson's 'gold brick' is of his own invention."

"It is not my intent to engender any heat in these words. However, I hope he will recall his misstatement so that we may continue the campaign on the high level I had hoped for."

MOTHERS MARCH BRINGS \$7,152; 900 WOMEN ARE CONGRATULATED

Don Bresnan, chairman of the March of Dimes drive, announced that a total of \$7,152.34 was contributed during the hour-long Mothers March on Polio last Thursday night.

"We are extremely grateful for the splendid showing," Bresnan said. "It once again presents outstanding evidence that the citizens of Arlington are solidly behind the fight against infantile Paralysis."

He congratulated the 900 mothers who made the Mothers March a success.

"At the same time words seem inadequate in thanking the countless people who contributed to this special activity on behalf of Arlington's 21 polio patients," he said.

The following women acted as

Precinct Captains and efficiently organized the March to a \$5 per cent increase over last year's \$5,359.83: Mrs. Raymond McKeever, 47 Harlow st.; Mrs. Nelson Brown, 45 Cleveland st.; Mrs. Beatrice Rogers, 3 Freeman st.; Mrs. Francis Fullerton, 23 Wyman st.; Mrs. George Birtwell, 70 Margaret st.; Mrs. Elmer Scribner, 9 Amherst st.; Mrs. Richard Rowe, 21 Oak Knoll.

Also Mrs. Eris Johanson, 108 Medford st.; Mrs. Fred Elwell, 162 Gray st.; Mrs. Maurice Kirkpatrick, 77 Falmouth rd.; Mrs. Bernard Hutchinson, 10 Murray st.; Mrs. Donald Bresnan, 1125 Massachusetts ave.; Mrs. Spence Dornitzler, 38 Cliff st.; Mrs. Bradley Carson, 25 Crescent Hill ave.; Mrs. Frederick Corcoran Jr., 19 Wollaston ave.

Rawson Featured In Magazine Article

In a recent issue of "New England Construction" a feature article was written about Thomas R. Rawson, local contractor. Rawson is present chairman of the Board of Public Works and candidate for the 2-year term for Selectman.

Besides describing Rawson's road building activity in the western part of the state, the article cites Rawson's interest in prize fighting.

The following is an excerpt from the article:

Between the rock and rain, between long stretches of side-hill cuttings and the flash-flood antics of the Swift River, Tommy Rawson certainly has his hands full, concerning the construction of a 4½ mile stretch of road building between Cunningham and Goshen, Mass.

Tommy Rawson has had his hands full before. Most everyone in New England knows that he spent a great many years in the amateur and professional prize rings. But they probably don't know some of the many fine facets that this young Massachusetts contractor possesses.

Concerning the fight game, Tommy had about 290 amateur and pro fights before he hung up the gloves to tackle the heavy construction field. Tommy entered the amateur ring when he was about 18, back in 1926. With about 200 amateur fights behind him, he turned professional in 1929 and fought about 90 more fights, finally hanging up his gloves in 1940.

Wins N. E. Title

In his professional interim, he spent five years fighting in the Madison Square Garden for Jimmy Johnston. In 1935 he won the New England lightweight championship. In addition, he spent some 10 years as a boxing instructor at Harvard University.

Although he has left the ring, he hasn't left the fight game. Tommy can remember when he fought four amateur fights in a single night, and he feels that a thing like that isn't good for any boy. For that reason he and the other members of the A.A.U. have set up rules limiting amateur fighters to two fights in any one evening, with the rounds set at only two minutes duration. Rawson also referees both pro and amateur fights.

On the personal side, Tommy neither drinks nor smokes and keeps in good physical shape at all times, which probably can't be said for too many contractors—and editors.

While we only spent a brief session with him on the job, we would judge him to be quietly persuasive, with a gentle but persistent personality that makes his men get things done just when and how he wants them done.

Father Well Known

Rawson also comes into the construction game honestly. His father, Tom Rawson, Senior, of whom young Tom speaks with deep reverence, was well known in the contracting field back in the 20's, constructing roads and carrying on a trucking business around the City of Boston, and the younger Rawson thus grew up in circumstances that are now holding him in good stead.

Awarded this \$925,000 state highway construction project in Cunningham and Goshen the first part of last year, a long spell of wet weather dogged the young Arlington contractor for a considerable portion of the time.

This particular stretch of Route 9 is bounded and criss-crossed by a system of rivers and brooks, and when rain falls consistently in the area, it means trouble, since the streets can rise and fall without much effort at all. All told, there were fifty rainy working days last season which, of course, didn't tend to help progress at all.

Golden Agers Plan Meeting on Feb. 19

All residents of Arlington, aged 65 years or more, are cordially invited to attend the first meeting of the Golden Age Club on Thursday, Feb. 19 at 2 p.m. in Library hall.

This new organization is being initiated by the Board of Park Commissioners to provide for elderly residents a place of meeting in the pursuit of leisure time and recreational facilities.

This Organizing Committee, which is assisting the Board of Park Commissioners include Mrs. John M. Dick, Mrs. M. Miller Laufman, Mrs. Herbert Reed, Mrs. Lucinda Spofford, Mrs. Harold B. Wood, Messrs. David Shean, Augustus Doyle, James G. Keenan, Henry Keenan, George Morse, Robert W. Murphy, Herman Ockenga, Obadiah Ring, Bert Roen and Everett J. Henderson.

Refreshments will be served after the meeting.

The meetings of the club will be temporarily conducted by Dan McFadden, superintendent of Parks and Recreation, until such time as an elections of officers is held.

Two Local Men Open New Market At Marston's Site

Jack Thompson, formerly of 290 Ottawa rd., here, who was employed at Charlie Marston's market for 14 years, is now returning to open the Frostee Meat Market with his partner, Jack Fitzgerald, in the old location of Marston's Market at 14 Medford St. It is next door to the Russell School and opposite the Regent Theatre.

Thompson has had many years of experience in the meat and food business. "We are now," Mr. Fitzgerald said, "going to give Arlington its finest meat store. Catering to the retail meat trade, fancy meat preparation for dinners and parties and the sale of home freezers with the finest line of quality fresh meats, delicatessen and frozen foods."

Fitzgerald, who lives on Alfred rd., here, has had many years of experience in the frozen food locker and associated business.

Winter weather in this western section of Massachusetts isn't too easy on contractors, either. And so, of necessity, the job was shut down in December and not opened up until the first Monday after Patriots' Day in April.

At the time we visited the job the middle of May, however, Rawson and his men had all the stops pulled out and the work was running in high gear, with the contractors getting set to lay stone base on the project.

The project includes 189,000 yards of earth excavation which is being hauled by Rawson's large fleet of Sterling Diesel Dump trucks and trailers and 5,000 yards of rock which turned out to be tough ledge all the way.

There were four bridges to be built over Stone Brook, Crosby Brook, Goshen Brook and Swift River. These had to be built under as treacherous conditions as could be imagined.

Red Cross Drive Starts March 1

Local leaders are preparing for the Greater Boston Red Cross Fund Drive which begins March 1st and continues through March 31st.

The goal has been set at \$1,800,000 as part of the national goal of \$93,000,000 which has been increased from last year because of the new gamma globulin project in the blood program and an Armed Forces request to provide additional recreation for members of the Armed Forces.

The Greater Boston increase is 28 per cent.

Needed to make this work possible are volunteers to collect funds from their neighbors in March.

Enrollments can be made by contacting Mrs. G. Edward Wilkins, 23 Draper Ave., AR 5-2062, fund chairman in Arlington.

GOOD NEWS for HOMEMAKERS
BY Anne E. Marshall

"In Love With a Wonderful Gal". That's the tune your husband will hum when you serve extra good meals for less money. Follow these tips to cut down the high cost of eating.

- Check grocery ads for items at special low prices. Do this each week just before you go shopping for the week's food supply.
- Read labels on cans and on packages of frozen foods to see exactly how much edible food you are getting.
- Buy fruits and vegetables that are plentiful — usually they cost less. Citrus fruits are often a good buy at this season.
- Plan menus around the lower priced meats and fish. Lean ground beef is generally a good buy because it has no waste and can be extended with so many other foods such as spaghetti and noodles.

Cost-Wise and Taste-Wise, meat rolls are a wonderful supper dish for wintertime. Serve them in a creamy mushroom sauce for irresistible flavor.

- Baked Beef Rolls with Mushroom Sauce
- 1/4 cup onion
- 1/4 cup milk
- 1/2 can (2 1/2 cups) condensed cream of mushroom soup
- 2 cups ground cooked beef
- 2 cups prepared biscuit mix

Cook onion until slightly brown in shortening; add cooked ground beef and 1/4 cup soup; set aside. Combine biscuit mix and 1/2 cup milk. Roll biscuit dough in an oblong piece about 1/4 inch thick. Spread dough with meat filling; roll up lengthwise like a jelly roll. Cut into six 1 1/4-inch thick slices; place on a greased baking sheet or pan and bake in a hot oven (400° F.) for 15 to 20 minutes or until brown. Meanwhile, combine remaining soup and milk; heat well. Pour over beef pinwheels. Makes 6 servings.

Many times we've
seen these four
good telephone
habits save money,
trouble, time
and friends

SPACING PARTY LINE CALLS

This one SAVED friends — Johnny spaced his party line calls, giving the neighbors a chance to call, too. Remember — courtesy pays on party lines.

CALLING LONG DISTANCE BY NUMBER

This one SAVED time — Sally's long distance call went through twice as fast because she called by number. Remember — keep a list of the out-of-town numbers you frequently call.

GIVING FOLKS TIME TO ANSWER

This one SAVED trouble — Father's important message was received because he gave the party he called time to answer. Remember, 10 rings take only 60 seconds.

CALLING LONG DISTANCE AFTER 6 P.M.

This one SAVED money — Mother telephoned long distance in the evening. Remember — rates are lower all day Sunday, too.

Remember these four good telephone habits. They help telephone people provide you with the very best service possible.

PROTESTS COUNCIL VOTE

(Continued from Page 1)

The Editor
 Arlington Advocate
 Dear Sir,

We hope that this letter will convey to you some of the regret and indignation with which our family received the news that the P.T.A. Council's Fine Arts Program was being suspended. We are the parents of a school age child. Both of us are witnesses to the high calibre of the presentations which have been and are being offered in the series.

We are indignant that what your reporter and your editorial termed a "personality conflict" should be allowed to interfere with a program as important as this.

The unpardonable aspect of such petty politics is that, whichever faction "wins", the children are sure losers.

If, on the other hand, the essence of the conflict is substantive rather than personal, cannot there be some resolution of the issues which will not require shelving the program?

We regret that our children must be deprived of a program which has been hailed by, and copied by, many of our neighboring communities as a model of forward-looking action. Even now it attracts interest and patronage from areas outside Metropolitan Boston where the people are not so fortunate.

It is now completely self-supporting and would seem to have in its favor the cardinal qualities of solvency, excellence, and (most important) acceptance by the children.

We therefore would urge upon the Council a reconsideration of its decision to suspend the program and some solution to their controversy which would be less of a privation to our youngsters.

Very truly yours,
 David J. Ashton
